COMMODITY FUTURES TRADING COMMISSION

Notice of Delegation of Authority

SUMMARY: Notice is hereby given that the Commodity Futures Trading Commission has delegated, on an interim basis, certain authority to the Program Coordinator of the Division of Enforcement.

FOR FURTHER INFORMATION CONTACT: Susan R. Cornell, Attorney, Division of Enforcement, Commodity Futures Trading Commission, 2033 K Street NW., Washington, D.C. 20581. Telephone: (202) 254-7424.

SUPPLEMENTARY INFORMATION: Notice is hereby given that the Commodity Futures Trading Commission has delegated to the Program Coordinator of the Division of Enforcement all of the authority which has been delegated to the Director of the Division of Enforcement, including but not limited to the authority to conduct investigations as set forth in Part 11—Rules Relating to Investigations, 17 CFR part 11, and all other delegations set forth in that Part, and the authority set forth in Part 140—Organization,

Functions and Procedures of the Commission, 17 CFR part 140. This delegation shall be in effect only until such time as a Director of the Division of Enforcement is appointed and assumes office. (7 U.S.C. 4a, 9, 15, 12, and 12a(5)).

Issued in Washington, D.C. on May 2, 1995, by the Commission.

Jean A. Webb,

Secretary of the Commission.

BILLING CODE 6351-01-M

DEPARTMENT OF DEFENSE

Department of the Army

Notice of Finding of No Significant Impact (FNSI) and Environmental Assessment (EA) for Realignment of Five Business Areas From Fort Belvoir, Virginia, to Detroit Arsenal, Michigan

AGENCY: Department of the Army, DoD.

ACTION: Finding of no significant impact.

SUMMARY: The proposed action analyzed by this document is the realignment of the following business areas: a) Supply Distribution, b) Bridging, c) Mechanical Counter Mobility, d) Water Purification, and e) Fuels and Lubricants to the Detroit Arsenal, Michigan, as required by the Base Closure and Realignment Act of 1990 (Public Law 101-510).

The 1993 Defense Base Closure and Realignment Commission recommended certain realignment and closure actions for military installations on July 1, 1993 (BRAC 93), including the realignment of a portion of the Belvoir Research, Development and Engineering Center (BRDEC), Fort Belvoir, Virginia, to the Tank-Automotive Research, Development and Engineering Center (TARDEC), Detroit Arsenal, Michigan. Recommended actions were approved by the President of the United States and subsequent review by the United States Congress did not alter any of the BRAC 93 recommendations.

The purpose of the EA is to identify and evaluate the anticipated effects of the realignment of these five business areas upon the receiving location. Because the recommended realignment is a statutory requirement and must be implemented, No Action, or not implementing the proposed action is not currently a viable alternative. The Army is required to move and consolidate these activities to the maximum extent possible. This mandate does not allow the Army to seek off-post sites as options for consolidation of activities.

Sufficient office space is available in existing Building 201 which is currently undergoing renovation to accommodate the office functions of the realigned Supply Distribution, and Bridging business areas, however, existing on-post laboratory facilities are either occupied or not configured to allow efficient use by the Mechanical Counter Mobility, Water Purification, and Fuels and Lubricants business areas. There are no feasible alternatives to the following construction activities proposed to execute this BRAC 93 action.

The EA studied in detail two possible alternatives: (a) Preferred construction site and (b) an alternative construction site. Under the Preferred Construction Site Alternative the Fuels and Lubricants, Water Purification and Mechanical Counter Mobility business areas would be accommodated on Detroit Arsenal in a new 38,000 square foot facility. This facility would be built between and connect two existing buildings (Buildings 212 and 215) in the north-central portion of Detroit Arsenal. The building location was selected on the basis of its proximity to existing facilities and its compatibility with current utilization.

Under the Alternative Construction Site the Fuels and Lubricants, Water Purification and Mechanical Counter Mobility business areas would be accommodated at the Detroit Arsenal in a new 40,000 square foot facility. This facility would be a free standing structure built over approximately one acre of undeveloped land just west of Building 215 in the north-central sector of the Detroit Arsenal. This site is currently used as a softball field.

Regarding the preferred construction site alternative, no significant impacts were identified. Potential for only minor, insignificant impacts are anticipated regarding: Air Quality, soils, and groundwater. Building 212 has been recommended as being eligible for the National Register of Historic Places. Proposed construction plans for the new connecting building will be coordinated with the Michigan State Historic Preservation Officer (SHPO) prior to undertaking any construction activities. If necessary, a Memorandum of Agreement detailing the actions the Army will take to avoid or mitigate for any adverse effects to National Register properties will be concluded among the Army, the Michigan SHPO, and the Advisory Council.

Regarding the Alternative Construction Site, no significant impacts were identified. Potential for only minor, insignificant, impacts are anticipated regarding: land use, air quality, soils, surface drainage, and

groundwater. This site would require an archaeological reconnaissance.

Based on the environmental impact analyses found in the EA, it has been determined that implementation of the proposed action would not have significant individual or cumulative impacts on the quality of the natural or the human environment. Because there would be no significant environmental impacts resulting from implementation of the proposed action, a FNSI has been prepared, and an Environmental Impact Statement is not required for the realignment of these five business areas to the Detroit Arsenal, Michigan.

DATES: Comments must be received by no later than May 23, 1995.

ADDRESSES: Persons wishing to comment may obtain a copy of the EA or inquire regarding the FNSI by writing to the U.S. Army Engineer District, Louisville, ATTN: CEORL-PD-R (Jim Baker), P.O. Box 59, Louisville, Kentucky 40201-0059.

FOR FURTHER INFORMATION CONTACT: Questions regarding this FNSI may be directed to the U.S. Army Corps of Engineers, ATTN: Mr. Jim Baker, at (502) 582-5774.

Dated: May 3, 1995.

Lewis D. Walker,

*Deputy Assistant Secretary of the Army,
(Environment, Safety and Occupational
Health) OASA (IL&E).*

BILLING CODE 3710-08-M

Department of the Navy

Community Redevelopment Authority and Available Surplus Buildings and Land at Military Installations Designated for Closure: Naval Station, New York, Brooklyn, NY

AGENCY: Department of the Navy, DOD.

ACTION: Notice.

SUMMARY: This Notice provides information regarding the redevelopment authority that has been established to plan the reuse of the Naval Station, New York, Brooklyn, NY, the surplus property that is located at that base closure site, and the timely election by the redevelopment authority to proceed under new procedures set forth in the Base Closure Community Redevelopment and Homeless Assistance Act of 1994.

FOR FURTHER INFORMATION CONTACT: John J. Kane, Director, Real Estate Operations Division, Naval Facilities Engineering Command, 200 Stovall Street, Alexandria, VA 22332-2300, telephone (703) 325-0474, or Marian E.

DiGiamarino, Special Assistant for Real Estate, Base Closure Team, Northern Division, Naval Facilities Engineering Command, 10 Industrial Highway, Mail Stop #82, Lester, PA 19113-2090, telephone (610) 595-0762. For detailed information regarding particular properties identified in this Notice (i.e., acreage, floor plans, sanitary facilities, exact street address, etc.), contact Lieutenant Commander R. M. Pondelick, Caretaker Site Office, Naval Station, New York, 109 Mont Sec Avenue, Staten Island, NY 10305-5015, telephone (718) 816-1111.

SUPPLEMENTARY INFORMATION: In 1988, the Naval Station, New York, Brooklyn, NY, was designated for closure pursuant to the 1988 Base Closure and Realignment Act, Public Law 100-526, as amended. Pursuant to this designation, the excess land and facilities at this installation were on 27 September 1991 and 3 March 1992, declared surplus to the federal government and available for use by: (a) Non-federal public agencies pursuant to various statutes which authorize conveyance of property for public projects, and (b) homeless provider groups pursuant to the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended.

Election to Proceed Under New Statutory Procedures

Subsequently, the Base Closure Community Redevelopment and Homeless Assistance Act of 1994 (Public Law 103-421) was signed into law. Section 2 of this statute gives the redevelopment authority at base closure sites the option of proceeding under new procedures with regard to the manner in which the redevelopment plan for the base is formulated and how requests are made for future use of the property by homeless assistance providers and non-federal public agencies. On November 4, 1994, the Deputy Mayor, Planning and Community Relations, of the City of New York submitted a timely request to proceed under the new procedures. Accordingly, this notice of information regarding the redevelopment authority fulfills the Federal Register publication requirement of Section 2(e)(3) of the Base Closure Community Redevelopment and Homeless Assistance Act of 1994.

Also, pursuant to paragraph (7) of Section 2905(b) of the Defense Base Closure and Realignment Act of 1990, as amended by the Base Closure Community Redevelopment and Homeless Assistance Act of 1994, the following information regarding the

surplus property at the Naval Station, New York, Brooklyn, NY, is published in the **Federal Register**.

Redevelopment Authority

The redevelopment authority for the Naval Station, New York, Brooklyn, NY, for purposes of implementing the provisions of the Defense Base Closure and Realignment Act of 1990, as amended, is the City of New York, acting by and through Mayor Rudolph W. Giuliani. For further information contact the Deputy Mayor Fran Reiter, Planning and Community Relations, City of New York, Office of the Mayor, New York, NY, telephone (212) 788-3060.

Surplus Property Descriptions

The following is a listing of the land and facilities at the Naval Station, New York, Brooklyn, NY, that were declared surplus to the federal government on 27 September 1991 and 3 March 1992.

Land

Approximately 28 acres of improved and unimproved fee simple land at the U.S. Naval Station, New York, in the Borough of Brooklyn, County of Kings, City and State of New York.

Buildings

The following is a summary of the facilities located on the above described land which are presently available. The station closed on 1 July 1993. Property numbers are available on request.

- Administrative/office facility (1 structure). Comments: Approx. 245,146 square feet.
- Bachelor quarters housing (1 structure). Comments: Approx. 55,783 square feet.
- Community facilities (8 structures). Comments: Approx. 11,616 square feet. Public rest room, tennis courts, hobby shops, service station building, bathhouse, outdoor swimming pool.
- Dining and mess facility (1 structure). Comments: Approx. 28,536 square feet.
- Family housing with detached garages (3 structures). Comments: Approx. 7,668 square feet.
- Family housing: single and multi-family units (8 structures). Comments: Approx. 40,740 square feet.
- Gate houses (3 structures). Comments: Approx. 1,567 square feet.
- General warehouse facilities (4 structures). Comments: Approx. 14,213 square feet.
- Medical facility (1 structure). Comments: Approx. 104,250 square feet.
- Miscellaneous facilities. Comments: Measuring systems vary. Flag poles,
